In paragraph 2 of G.O. no: 184-9 dated 9.7.15 Govt have observed that Travelling dispensaries on the lines of those in the United provinces are not at present wholly suited to the Conditions in mysore and accordingly Sanctioned the conversion of 3 dispensaries into Semi-itinerant dispensaries for Shimoga Distt & two new itinerant dispensaries for Hassan District.

5) The question of opening an itinerant dispy in the Heggadadevankote Taluk may, if appd, be deferred till some experience is gained of the working of the itinerant dispensaries in the Hassan District.

9) Heggadadevankote is as bad, in point of health, as parts of the Hassan, Kadur and Shimoga Districts, which have been included in the Malnad Improvement Scheme. This has also found recognition in the grant of Malnad allowances to certain officials working in that Taluk.

10) There are two dispensaries in the Taluk now, one at Sargur and the other at Heggadadevankote. It will, therefore, be sufficient, in the opinion of the undersigned, if the dispensary at Heggadadevankote is converted into a semi-itinerating one on the same lines as those sanctioned for the Shimoga District, viz., a Sub Assistant Surgeon with University qualifications being placed in charge and provided with certain extra establishment and equipment.

11) The question is, who will meet the extra cost involved, which has been estimated, in the case of Shimoga Dispensaries, at Rs 2128/- a year on establishment, medicines, etc.,
